Spring Weather

Please ensure that your child has appropriate clothing for the ever-changing Spring weather. Hopefully, boots and splash pants will soon be a distant memory!

Garden Beds

Now that all of the snow is gone, please refrain from walking through or between our garden beds. Soon we will be planting them with lovely flowers. This helps to keep our landscape rocks where they belong and not in the parking lot where they become dangerous. Thank you for your consideration.

Illness

Thank you for continuing to uphold our **Zero Sickness Policy** **by** keeping sick children at home. Keeping everyone healthy ensures that our programs can continue to run at their full capacity.

Happy Spring! Shannon, Alexis, Melissa & Lani
